

# Create a Holiday Gift Experience Your People Will Love

They've worked hard all year. 'Tis the season to show your genuine gratitude.

With a holiday e-gift solution by ITA Group, you have the ability to offer a selection of trending gifts your people can choose from. *Themselves*. The best part is, our catalog featuring the season's hottest picks is diverse enough to fit your audience's demographics and your desired holiday spend, all with no set-up or administrative charges. The concept couldn't be simpler—or any more rewarding.

## Gift Redemption In 3 Easy Steps

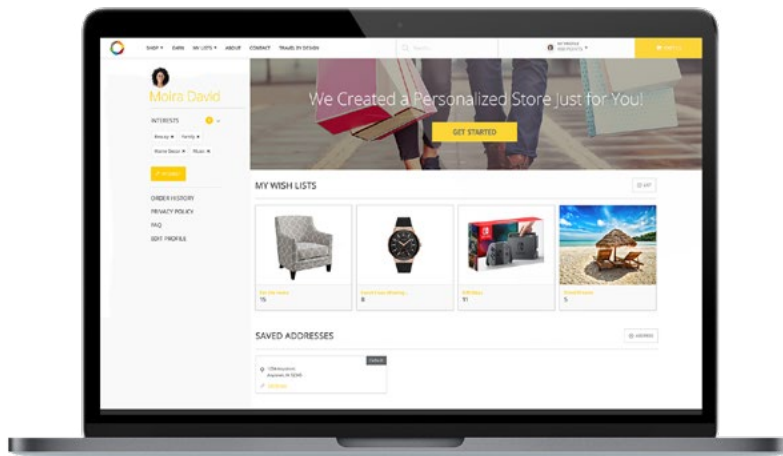

1. You determine per-person spend.
2. We provide individual gift codes for distribution to your people.
3. They log on and select their own gift.

## Benefits for You

- > No setup charges
- > Simple, fast setup process
- > Low-effort administration (simply distribute codes and redemption can begin)
- > Up-front payment for gift codes at face value without hidden fees, surcharges or unknown budget exposure

## Benefits for Your People

- > No additional fees on awards—shipping, handling and sales tax are included in the award value
- > 3-step checkout process for quick and easy award redemption
- > Package tracking and order history access

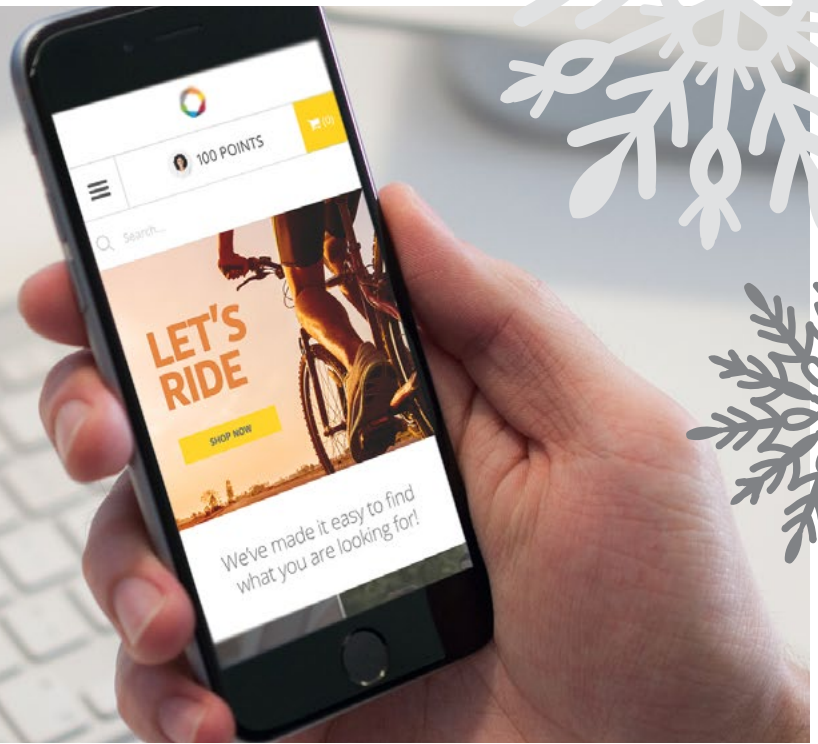

98%

overall satisfaction  
of catalog users

## Need Help With Communications?

*Just ask!* Our team is able to create customized cards including a note from your leadership and the recipients' gift code.

## Give Your Team the Gift of Choice

Electronics. Home furnishings. Jewelry. Charitable giving options. We've got something for everyone—here's just a sneak peek.
